# DIARY of a Wimpy Kid

Suitable for Years 7 and 8

In his journal Greg Heffley writes about his adventures at home and at school. He does not do this because he wants to confess feelings to "Dear Diary" every day, but because he believes that one day he will be rich and famous and that people will want to know about his early life then:

Read the episode about the school winter play:

Thursday

Tonight Mom came up to my room, and she had a flyer in her hand. As soon as I saw it, I knew EXACTLY what it was.

It was an announcement that the school is having tryouts for a winter play. Man, I should have thrown that thing out when I saw it on the kitchen table.

I BEGGED her not to make me sign up. Those school plays are always musicals, and the last thing I need is to have to sing a solo in front of the whole school.

Do you want to know more about the school play disaster?  
Then go and get the book from the library!
